Prayer

Our virtue is simplicity.

Out of nothingness we came
through birth into life:
With the Spirit of God within us.

From the life of God
the universe unfolded into being:
With the Spirit of God within it.

From the heart of God
creation goes on till the end of time:
With the Spirit of God within it and with our spirit in it.

Let us embrace the God who enfolds us.
We delight in God and in ourselves.
