Health and Safety

Unfortunately we still have a high number of parents allowing their children to play on the KS1 play equipment before and after school. To provide a member of staff to stop this seems a waste of resources so we are asking you again to please not allow your child to play on the play equipment before and after school.

We cannot take responsibility for any accidents and children over 7 should never use it due to the fact it is designed for ages 7 and under. Please support the school to keep your children safe.

The countdown is on. We are forward to Sunday for those who can join us between 12 - 3pm.

Thank you to those who have bought tickets to join us. Tickets are still available <https://stmarys-horsforth-pa.sumupstore.com/>

The event is a chance to come together as a community and have some fun. Here are a few more details about the day itself:

There will be a number of stalls/ activities aswell as a Bar selling fizz, pimms and lager. As well as soft drinks and buns. All stalls will operate as cash on the day.

We made the decision not to offer hot food. Feel free to bring a blanket and a picnic the weather is looking good and will be a good chance to chat to other families without the rush of before and after school. We do ask you put rubbish in the bins provided or take home with you.

Children are parent/carer responsibility at all time and playground equipment is not available during the event.

Textile panel of Horsforth. Calling all creative, crafty people! There is a wall hanging being created for this year's Walk of Art. We have been asked to produce a textile image pieces (approx. 4") to populate the map, 'things' we see around Horsforth. If you can contribute, please ask Amanda for more details. Ideally the elements are needed by June to allow for sewing onto the map, thank you. The Walk of Art will take place the weekend of the 1st & 2nd July.
