

Year 1 Summer Seasonal Changes

Enquiry Question: What changes do the seasons bring?

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> I can explore the natural world around me. I can make observations and draw pictures of animals and plants. I know some similarities and differences between the natural world and contrasting environments. I understand some important processes and changes in the natural world, including the seasons and changing states of matter. 	<ul style="list-style-type: none"> I know there are four seasons. I know the changes that take place in autumn. I know the changes that take place in winter. I know the changes that take place in spring. I know the changes that take place in summer. I can investigate how to measure rainfall.

Vocabulary	
season spring summer autumn	winter hibernate temperature weather
