

Year 2 Summer 1

Animals Including Humans - Growth

Enquiry Question: What would you take with you to survive on a desert island?

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> I can name my body parts and show you like in the picture. I know humans have 5 senses. I know that animals are divided into 2 groups, vertebrates, and invertebrates. I know what a carnivore, herbivore and omnivore eat. 	<ul style="list-style-type: none"> I can describe the needs of animals for survival. I can describe the needs of humans for survival. I can explore the importance of eating the right food. I can describe what a healthy, balanced diet looks like. I can investigate the impact of exercise on our bodies. I can investigate hygiene.

Vocabulary	
nutrition healthy protein carbohydrate	dairy fat exercise hygiene
