

**Enquiry Question: Who do I tell if I see anything online that makes me upset or scared?**

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> <li>To understand how children can protect themselves from online identity theft.</li> <li>To understand that information put online leaves a digital footprint or trail and that this can aid identity theft.</li> <li>To identify the risks and benefits of installing software including apps.</li> <li>To understand that copying the work of others and presenting it as their own is called 'plagiarism' and to consider the consequences of plagiarism.</li> <li>To identify appropriate behaviour when participating or contributing to collaborative online projects for learning.</li> <li>To identify the positive and negative influences of technology on health and the environment.</li> <li>To understand the importance of balancing game and screen time with other parts of their lives.</li> </ul>	<ul style="list-style-type: none"> <li>To gain a greater understanding of the impact that sharing digital content can have.</li> <li>To review sources of support when using technology and children's responsibility to one another in their online behaviour.</li> <li>To know how to maintain secure passwords.</li> <li>To understand the advantages, disadvantages, permissions, and purposes of altering an image digitally and the reasons for this.</li> <li>To be aware of appropriate and inappropriate text, photographs and videos and the impact of sharing these online.</li> <li>To learn about how to reference sources in their work.</li> <li>To search the Internet with a consideration for the reliability of the results of sources to check validity and understand the impact of incorrect information.</li> <li>To ensure reliability through using different methods of communication.</li> </ul>
