

Enquiry Question: What can we make with paper?

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> • Explore differences when cutting a variety of materials. • Investigate different ways of cutting eg. straight lines, wavy lines, zig-zags. • Follow lines when cutting. Experiment with threading objects, holding equipment steady to do so. • Explore techniques for joining paper and card eg stick, clip, tie, tape. • Apply craft skills eg. cutting, threading, folding to make their own artworks. • Design something on paper ready to make in three dimensions. 	<ul style="list-style-type: none"> • I can explore different types of paper and how paper is used in art. • I can create a collage by cutting a variety of shapes from paper and card and decide the best way to glue something. • I can work with tissue paper to create a piece of artwork. • I can roll paper to make beads and craft an object. • I can wrap an object to create a sculpture. • I can weave with paper on a paper loom and weave using a combination of materials..
