

Year 3 – Mechanisms – Moving Monsters – Spring 2

Enquiry Question: How can I use air to make this move?

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> • How to use a range of mechanisms such as levers, axels and wheels. 	<ul style="list-style-type: none"> • I can investigate a variety of familiar objects that use air to make them work. • I can investigate techniques for making simple pneumatic systems. • I can gather ideas for creating moving monsters. • I can design a monster including a moving pneumatic system. • I can make a monster with a moving pneumatic part. • I can evaluate a finished product.
