

Enquiry Question: What method do you think has been used to create this painting?

What should I already know?	What will I know at the end of the unit?
<ul style="list-style-type: none"> • Mix a variety of shades of a secondary colour. • Make choices about amounts of paint to use when mixing a particular colour. • Match colours seen around them. • Create texture using different painting tools. • Use different materials and marks to replicate texture. • Manipulate materials and surfaces to create textures. Eg scratching with tools or blending with fingers. 	<ul style="list-style-type: none"> • Use a sketchbook to research a subject using different techniques and materials to present ideas. • Create different textures using different parts of a brush. • Use colour mixing to make colours. • Use shapes identified within in objects as a method to draw. • Create tone by shading. • Achieve even tones when shading.
